THE (SECULAR HUMANISTIC) REBBE'S TISCH **With Rabbi Jeffrey L. Falick**

Traditional Jews gather around their rabbi's table (their "*rebbe's tisch*") to learn words of wisdom from the Torah.

Our Secular Humanistic rabbi, Jeff Falick, begins each week with headlines from the Jewish world, then turns to the Torah's weekly portion, employing the tools of critical-historical study along with an appreciation for traditional ways in which the Torah was studied throughout Jewish history.
